

IGEM 2018 CONFERENCE
Capital Markets Malaysia (CMM)

BACKGROUND

Capital Markets Malaysia (CMM) is an affiliate of the Securities Commission Malaysia (SC) that focuses on awareness and business development initiatives to promote the internationalisation of the Malaysian capital market. A key priority area for CMM’s strategy 2017-2020 is to promote sustainable and responsible investments (SRI) and position Malaysia as a regional centre of excellence for SRI.

IGEM 2018: proposed initiatives

A. Green Financing: Funding Green projects through Islamic capital markets

Date: 17th October 2018

Proposed Agenda:

08:30 – 09:00	Registration & Refreshments/Networking
09:00 – 09:15	Keynote Address: Datuk Zainal Izlan Zainal Abidin, Deputy Chief Executive, Securities Commission Malaysia (SC)
09:15 – 10:00	<p>Session 1: Funding Green Projects in the Current Environment</p> <p>A look at how the new economic and regulatory landscape in Malaysia will influence the funding of green projects. What policies and incentives are likely to impact the green sector and how will they further promote industry growth?</p> <ul style="list-style-type: none"> • Government’s view on green and climate change and financing initiatives/ schemes (e.g. GTFS 2.0) • Key growth sectors • Incentives that exist to support demand of and supply for green projects <p>Panellists:</p> <ul style="list-style-type: none"> • Securities Commission Malaysia • Mohamed Rozani Bin Mohamed Osman , World Bank • Director, Green Technology Division, MIDA • Mohamed Nazri Omar, CEO Danajamin
10.00 - 10.20	<p>Presentation: Data-Driven Analysis: Is there Real Investor Demand for Green Projects?</p> <p>This is a unique session whereby we are trying to showcase through real empirical evidence that sustainable investments do not suggest a compromise in financial returns. There is sufficient evidence from developed markets to prove this (CMM will focus on trying to get Asian evidence so as it resonates better with the audience</p> <ul style="list-style-type: none"> • Representative from Amundi - IFC
10:20– 10:50	Coffee/Tea Break

<p>10:50 – 11:50</p>	<p>Session 2: Financing Via Green Bonds and Sukuk: An Issuer’s Roadmap An in depth discussion on utilizing green bonds and sukuk as a financing mechanism (Discussion of case studies, each panellist allowed one slide to show actual data)</p> <p>Panellists:</p> <ul style="list-style-type: none"> • Juniza Zahari, Director, Debt & Capital Markets, Affin Hwang Investment Bank Berhad • Promod Dass, Deputy CEO, RAM Rating • Independent second opinion provider (CICERO) • Representative from Adnan Sundra & Low.
<p>11:50 – 12:20</p>	<p>The Cost of Doing Good</p> <p>Issuing green instruments has historically been viewed as a costly exercise, and one that comes with onerous documentation and certification requirements. We ask issuers and arrangers to provide some perspective on their experiences with green issuances and advice for potential issuers.</p> <p>Moderated fireside chat: PNB Merdeka Ventures Sdn Bhd, HSBC</p>
<p>12:20 – 12:30</p>	<p>Closing Remarks: CMM</p>
